Temporal bone course - Prague 2018

Date: 22.1. – 25.1.2018

Head of the department: prof. Jan Plzák, M.D., Ph.D.

Course director: Jan Bouček, M.D., Ph.D.

International faculty:

- **prof. Samuel H. Selesnick, M.D., F.A.C.S.**, Weil Cornell Medical College, Memorial Sloan Kettering Cancer Center
- **prof. Miklos Toth, M.D., Ph.D.**, University Medical Center Hamburg-Eppendorf

Local faculty:

- Jan Kluh, M.D.
- Zdeněk Čada, M.D., Ph.D.
- Zdeněk Fík, M.D., Ph.D.
- assoc.prof. Martin Chovanec, M.D., Ph.D.
- Oliver Profant, M.D., Ph.D.
- Jiří Lisý, M.D., Ph.D.

Language: English

Course will be certified by Czech Medical Chamber with 24 credits.

Congress venue: V Úvalu 84, Prague 5

Transportation: subway station: Nemocnice Motol, room: lecture room of ENT department, part B, floor -1

Description

The course will be focused on the basic principles of the temporal bone dissection in context of the surgical management of the chronic ear diseases and in context of surgery of the implantable hearing systems. For participants will be prepared temporal bone and fully equipped stage for the dissection. Course is dedicated for the beginning otologist, but it would be preferable to have some basic experience with the temporal bone anatomy and dissection. The participants will have the chance to practice canalplasty, stapes surgery, mastoidectomy, posterior tympanotomy, cochleostomy, insertion of the electrode of the cochlear implant on model as well as in cadaveric bone, different techniques of the ossiculoplasty, canal wall down technique, visualization of the mastoid and tympanic portion of the facial nerve, exposure of the carotid artery, jugular bulb, Eustachian tube, translabyrinthine and middle fossa approach to the internal meatus. Participants can also try the 3D Temporal bone simulator.

Program

	Monday January 22	Tuesday January 23	Wednesday January 24	Thursday January 25
09:00-10:45	Introductions Temporal Bone & Facial Nerve Anatomy	Canal Wall Down Mastoidectomy & Obliteration Techniques Tympanoplasty & Myringoplasty	Beyond the Temporal Bone: Skull Base Surgery Middle Cranial Fossa Approach	Anatomy and Physiology of Vestibular System How to Examine Vestibular System
10:45-11:15	<i>coffee break/industry visit</i>	<i>coffee break/industry visit</i>	<i>coffee break/industry visit</i>	<i>coffee break/industry visit</i>
11:15-13:00	The Otological Setup Surgery of the External Auditory Canal Intact Canal Wall Mastoidectomy, the Facial Recess Approach	Surgery for Otosclerosis Imaging Methods in Otology Powered Middle Ear Implants	Cochlear Implantation Complications of the Otological Surgery Approaches to the Petrous Apex	Clinical Diagnosis Surgical Therapy of the Vestibular Diseases Post-Seminar Evaluation
13:00-14:00	<i>lunch/industry visit</i>	<i>lunch/industry visit</i>	<i>lunch/industry visit</i>	<i>lunch/industry visit</i>
From 14:00	Temporal Bone Lab: Canalplasty, CWU Mastoidectomy S. Selesnick, M.Toth, J.Bouček, J.Kluh, Z.Čada, Z.Fík	Temporal Bone Lab: Ossiculoplasty, Stapedotomy, CWD Mastoidectomy S. Selesnick, M.Toth, J.Bouček, J.Kluh, Z.Čada, Z.Fík	Temporal Bone Lab: Middle Fossa Approach, Labyrinthectomy S. Selesnick, M.Toth, J.Bouček, J.Kluh, Z.Čada, Z.Fík	Temporal Bone Lab: Facial Nerve Decompression, CI Implantation M.Toth, J.Bouček, J.Kluh, Z.Čada, Z.Fík

Registration fee: € 700 (Scientific program with temporal bone dissection)

Please transfer the registration fee until December 10th, 2017:

Bank: Ceskoslovenska obchodni banka
Account Name: Nadacni fond pro otorhinolaryngologii
BIC (swift code): CEKOCZPP
IBAN: CZ72 0300 0000 0001 5031 3096
Reference: TBC2018 + Name of Participant
Variable code: 22250118

For Czech participants:

Registrační poplatek: 18 000,- Kč
Banka: Česká spořitelna
Účet č.: 15641329/0800
Název účtu: Nadační fond pro ORL
Variabilní symbol: 22250118
Zpráva pro příjemce: Vaše příjmení a jméno

Registration fee includes:

Lectures, bone dissection, diner for participants, refreshment

Accommodation: individual
